

Using Zoom with the Doc Cam

TouchLink Connected Classrooms

1. Sign in to the podium computer using your **SDSUID**. (Note: The first time you log in may take up to a minute to load. Future logins will be quicker.)
2. Launch the **Zoom** application, and sign in with **SSO** using your **SDSUID** as well. The Zoom domain is **sdsu.zoom.us**.

3. Zoom Audio and Video Settings:

- a. Set **Microphone** to Blackmagic Web Presenter
- b. Set **Speaker** to ExtronScaler
- c. Set **Camera** to Blackmagic Web Presenter

4. **Record to the cloud** if you would like to share with your students via Canvas/Blackboard.

5. Sharing the Doc Cam:

- a. Click Zoom's green **Share Screen** button
- b. Click on the **Advanced** tab
- c. Select **Content from 2nd Camera** and click **Share**
- d. Use the **TouchLink** panel to adjust doc cam settings, such as zoom in and out
