Using Zoom with the Doc Cam

TouchLink Connected Classrooms

1. Sign in to the podium computer using your SDSUid. (Note: The first time you log in may take up to a minute to load. Future logins will be quicker.)

2. Launch the Zoom application, and sign in with SSO using your SDSUid. The Zoom domain is sdsu.zoom.us.

3. Zoom Audio and Video Settings:
   a. Set Microphone to Blackmagic Web Presenter
   b. Set Speaker to ExtronScaler
   c. Set Camera to Blackmagic Web Presenter

4. Record to the cloud if you would like to share with your students via Canvas.

5. Sharing the Doc Cam:
   a. Click Zoom’s green Share Screen button
   b. Click on the Advanced tab
   c. Select Content from 2nd Camera and click Share
   d. Use the TouchLink panel to adjust doc cam settings, such as zoom in and out
